I met Ivo in Mike's record shop in Ealing some years before all this happened. he was my go to man for the Bowie albums.

Six months ago, after getting fired from my job, I've been blessed to find out about this amazing site online that was a lifesaver... They offer online home-based work. My last month check after working with them for three months was 12000 dollars... Amazing thing about it was that only thing required is basic typing and internet access... Yes, thank you and for the 4AD virgins out there, be forewarned, once you start you won't be able to stop. Beautiful music and the absolutely best artwork ever (see Vaughan Oliver.)
